

## FUNDTASTIC FUNDRAISING WANTS TO HELP YOUR SCHOOL SUPPORT HAITI EMERGENCY RELIEF!

The recent tragedy in Haiti has affected everyone around the world, with companies, organizations and families from every walk of life looking for ways to assist in any small way possible.

Fundtastic has made a commitment to both social and environmentally responsible fundraising. It is part of our mandate as a community business to promote responsibility and to show leadership as a global citizen and community leader.

Let Fundtastic Fundraising help support your Haiti fundraising campaign and we'll kick-start your campaign with our own donation to support your undertaking!

To support your fundraising initiatives for Haiti relief, we'd like to present two program options that will provide fast and effective fundraising results.

Our made-in-Canada Plantable Paper products offer an "a-thon" option, whereby supporters can purchase a Plantable Paper token that is affordable, and that the purchaser can plant in their garden in the spring, as a tangible reminder of their role as a global citizen.

Our in-school popcorn program is one of the easiest ways to raise funds. Students can purchase an affordable bag of popcorn for lunch, recess, or during a student assembly, with all profits going to support your fundraising initiatives for Haiti.

Both programs are quick, simple and profitable ways to raise funds to support your Haiti emergency fundraising program.

Let Fundtastic Fundraising help support your initiatives for Haiti relief and when you book your Haiti fundraising campaign, we'll kick-start your campaign with our own donation to your support your efforts!

June Nicholson  
President & CEO
